Crystal Lake Ashes

Taking ashes from one campfire to another is a ceremony performed all over the world. This 2oz glass jar is filled with ashes

from the fire pit in front of Van Dusen Lodge.

Spread some of these ashes on your next campfire. The next day, refill the jar with the cold ashes from the fire. Keep track of each location the ashes were spread to. If you meet another fan at a campfire who also has ashes, spread both ashes on the fire and trade lists!

Beach Sand Souvenir

Collected from our famous beach.
